

HORSEBOX

The horsebox LODA srl are guarantee for animal hygiene.

On request can be produced several versions, changing one on specific requests of the customer, to respond to every need.

All versions are made entirely of fiberglass boat with accessories hand-crafted iron and galvanized to prevent rust over time. There are also several standard accessories, such as galvanized iron fence, shed in fiberglass etc.

Fiberglass, unlike other washable materials, resistant to atmospheric agents and in the insulated version remains cool in summer and warm in winter.
